Dear Parents / Carers

BT My Donate: Outdoor play areas

We are delighted to confirm that we are updating the BT My Donate facility to raise funds for a specific activity. This change to our aims for this portal has come about for two reasons. The first, perhaps a little dull, is to streamline the facility with only one identified fundraising outcome, which makes it simpler for reporting and to update donors on how their donations have been spent. The second, and we think most important reason, is the feedback we have received from our members, you.

As a PTA we have received numerous donations through BT My Donate; however some parents have expressed a wish to see that money targeted to a particular project. At the January Committee meeting it was agreed that the funds raised through BT My Donate should be targeted to improving the outdoor play areas. Areas immediately identified for refurbishing include the Foundation Stage outdoor area and also the playground painted game markings. Once these initial items have been funded a review will be made with a view to making further enhancements, as always all member suggestions are very welcome.

We hope that you will take the time to have a look at our page and perhaps make a donation.
