Headteacher: Elaine Stewart

Dear Parents,

Lower School children will soon be set for English and maths. We have three sets for maths and English, which are organized as follows:

Set	Composition of set	Number of teaching assistants supporting class
1	mainly Year 2 children	0
2	a mixture of Year 1 and Year 2 children	1
3	mainly Year 1 children	2

Setting ensures that by the end of Key Stage 1 (Year 2) every child will have accessed the maths and English objectives set out in the National curriculum through the provision of well resourced, differentiated teaching.

Your child's set will depend upon progress at the end of the previous academic year and assessments carried out at the beginning of the current academic year. Other information considered includes your child's resilience, confidence, independence and attitude to learning.

Lessons in each set are fully differentiated and appropriate challenge is given. Please feel reassured that careful consideration is given to setting and your child will reach their full potential, whatever set they are in. Only under exceptional circumstances will children move classes once they have been set at the beginning of the year.

	Maths	English
Set 1	Miss Saunders	Mrs Culham
Set 2	Mrs Culham	Mrs Smith/Coleman
Set 3	Mrs Smith/Coleman	Miss Saunders

Thank you for your support.

Lower School Team
