Activity	Class Cake Sales
Brief description of activity and summary	<p>A cake sale is held by each class. The dates are set at the beginning of the year by the co-ordinator in discussion with the school office and taking into account the school calendar. The class teachers sign up for the cake sale date they prefer.</p> <p>A week before the sale a letter is sent out by the school office to the parents of the children in the class informing them of the sale.
