## **LYRICS**

**Track 2:**

**Pot Of Gold**

**Seller 1:**      **Fresh fish! Come and get your fresh fish!**

**Seller 2:**      **Cockles and Mussels! Alive, alive-o!**

**Seller 3:**      **Jellied eels! Slimy and delicious!**

**All:**            Travel with us on a new adventure,  
Over the ocean blue.  
Follow your heart and your dreams will all come true!  
Waiting at the rainbow's end,  
Are treasures all untold,  
So chase that rainbow, find your pot of gold!

Sailing away where the wind may take us,  
Never know what you'll find.  
Leave all your cares and your worries far behind!  
Magic happens every day,  
Believe what you've been told,  
So chase that rainbow, find your pot of gold!

***(The company dance during a short instrumental section.)***

Magic happens every day,  
Believe what you've been told,  
So chase that rainbow, find your pot of gold!  
(So chase that rainbow, find your pot of gold!)  
So chase that rainbow, find your pot of gold!  
***(Shouted) Of gold!***

**Track 7:**

**Lumbago Lullaby**

**Pearl: He used to dream about a distant land full of treasures and mystery. He called it Lumbago...**

Lumbago, in the sea of Sciatica  
Where the sky is so blue  
And your troubles are few  
And you dance the night away!  
Welcome to Lumbago, in the sea of Sciatica,  
So just sit and relax  
On the island of dreams!

**Track 17:****Anchors Away**

**Cod:** All aboard! All aboard the Crunchy Frog! Calling at the tropical islands of the East ... The mysterious islands of the West ... The undiscovered islands of the South... (*The music stops.*) and Clacton! (*Or local seaside town.*)

**Cod:** There's an ocean of adventure we're off to explore,  
Sail the seven seas to a far distant shore.  
With a western breeze a blowing, no time to delay!  
Ring out the bell, boys, and anchors away!

**All:** Yo-ho, heave-ho, so the sailors say!  
Yo-ho, heave-ho, set the sail and anchors away!

We are able bodied seamen, a trustworthy crew,  
Boldly going forward we sail on the blue,  
We have orders from our captain and we must obey,  
Ring out the bell, boys, and anchors away!

Yo-ho, heave-ho, so the sailors say!  
Yo-ho, heave-ho, set the sail and anchors away!

There's a new world to discover, so join us my friend.  
Over the horizon and just round the bend.  
There's a new life waiting for you, so set sail today.  
Ring out the bell, boys, and anchors away!

Yo-ho, heave-ho, so the sailors say!  
Yo-ho, heave-ho, set the sail and anchors away!  
**(Shouted) Anchors away!**

**Track 19:****Beneath The Same Starry Sky**

**Jack & Liza:** Though you may be far, I can feel you here,  
I'm wishing on a shooting star  
Wishing you were near  
But up above the stars still shine  
And say this isn't goodbye  
For in my heart I know we sail  
Beneath the same starry sky

**Jack, Liza  
& Pearl:** Though we feel alone sailing through the night  
A million eyes watch over us  
Shining out their light  
And even though I miss you so,  
I know there's no need to cry  
For in my heart I know we sail  
Beneath the same starry sky  
Beneath the same starry sky.

**Track 30:****Piratical Style**

**Redbeard:** Black hearted squid sucking buccaneers,  
 We're taking over so give three cheers!  
 We are as vile as our undergarments,  
 We haven't washed 'em in years!  
 Life on the sea can be such a trial,  
 Join up with us, it will be worthwhile,  
 Dig up the booty and make a pile!  
 We have - piratical style!

**Go on lads, tell 'em all about it!**

**All:** Who is the scourge of the seven seas?  
 Who can do just as they darn well please?  
 Floating around on a pirate galleon,  
 Searching for treasure with ease!  
 Who has a hook and a crooked smile?  
 Who's dirty deeds are so versatile?  
 Who's got a bite like a crocodile?  
 We have - piratical style!

**Redbeard:** **So, all those wanting to be in my pirate crew - say "arr!"**

**All:** **(Shouting) Arr!**

Who is the scourge of the seven seas?  
 Who can do just as they darn well please?  
 Floating around on a pirate galleon,  
 Searching for treasure with ease!

**All:** **Arr!**

**Track 41:****Lumbago**

**All:** There is an island that lies in your dreams  
Underneath tropical skies, how it gleams  
There's a gentle breeze here  
Under cool palm trees here  
It will soothe all your aches and your pains  
And your worries away  
And we hope that you stay!

Lumbago, in the sea of Sciatica  
Where the sky is so blue  
And your troubles are few  
And you dance the night away!  
Welcome to Lumbago, in the sea of Sciatica  
So just sit and relax  
On the island of dreams!

***(The Natives set up a limbo pole and bring Hornhonker to the front, placing a Hawaiian lei round his neck.)***

Limbo, limbo, limbo!  
Limbo, limbo, limbo!  
Limbo, limbo, limbo!  
Limbo all night long!

***(During the trumpet solo, the Natives lead Hornhonker in a brief, comical limbo dance.)***

There's a gentle breeze here  
Under cool palm trees here  
It will soothe all your aches and your pains  
And your worries away  
And we hope that you stay!

Lumbago, in the sea of Sciatica  
Where the sky is so blue  
And your troubles are few  
And you dance the night away!  
Welcome to Lumbago, in the sea of Sciatica

On the island of dreams!

Where the sky is so blue  
And your troubles are few  
And you dance the night away!  
Welcome to Lumbago, in the sea of Sciatica  
So just sit and relax  
And don't break your backs  
You're booked for a massage and wax  
In Lumbago - on the island of dreams!
