

This school

We know we're moving on very soon
Please don't forget us
You were there whenever we needed you
We just want to say thank you

Leaving our second home
Told them we had to go
And we know it ain't easy when we say goodbye
Too young to feel this old
Trying hard to be bold
And I know it ain't easy when we say goodbye
Yeah, I know it ain't easy
When we say goodbye

I hope someday
We'll sit down together
And laugh with each other
'bout this school, this school
All our friendships
All our teachers
We wish we could stay here at
This school, this school

This school, this school

This school, this school

Seven years of ups and downs
No SATs to show for it now
And I know it ain't easy when we say good bye
Thinking that it's all done
Remembering primary school fun
And I know it ain't easy
When we say goodbye

I hope someday
We'll sit down together
And laugh with each other
'bout this school, this school
All our friendships
All our teachers
We wish we could stay here at
This school, this school

Oh I know, I know
Oh I know, I know
Oh I know, I know
This school, this school

Oh I know, I know
Oh I know, I know
Oh I know, I know
This school, this school

Leaving my primary school
Sorry we have to go
And we know it ain't easy when we say goodbye
Too young to feel this old
Trying hard to be bold
And I know it ain't easy when we say goodbye

I hope someday
We'll sit down together
And laugh with each other
'bout this school, this school
All our friendships
All our teachers
We wish we could stay here at
This school, this school

I hope someday
We'll sit down together
And laugh with each other
'bout this school, this school
All our friendships
All our teachers
We wish we could stay here at
This school, this school
This school, this school,
This school, this school
