Weekly Update: 8th June

Dear Parent/ Carer,

I hope that everyone had an enjoyable half term break last week. It was great to finally see an improvement in the weather. As we are now finally seeing a bit of sunshine, please could I remind families to apply sun cream before the start of the school day. Sun cream cannot be applied or supervised by staff at school. May we also remind you to supply your child with a hat and plenty of water in a named bottle. Thank you for your cooperation.

Covid-19 Positive Case Notification

During the half term break, we received notification of a positive case in Lower School. The child was asymptomatic and is currently self-isolating alongside the family. As the child had not been in school for more than 48 hours prior to the Covid test, there was not a requirement for any other members of staff or children to isolate.

Covid-19 Surge Testing

As you may be aware from the media, residents in parts of Wokingham and Reading are strongly encouraged to undergo a PCR test as there have been cases of the Delta variant identified that are not linked to travel. Whilst this does not directly impact the school at this stage, if any of our families live or work in any of the identified areas, please could I encourage you to arrange for a PCR test. The areas identified are: RG1 3, RG1 5, RG1 6 and RG1 7 postcodes in Reading and in the Bulmershe and Whitegates, Evendons, Norreys, and Wescott areas of Wokingham. Further details can be found on the link below:

Secondary School Transition Days

We have received notice that the transition days planned for June have been postponed. It is now looking likely that if these are able to take place, then they will happen on the 7th July.

Summer Events

Please find our updated version of events for the rest of the term below. A reminder that we have made the decision not to allow spectators at any of our swimming galas this year. We will make a final decision on spectators for other events after the latest Department for Education update, which is due in mid-June.
