<b>Policy</b>	<b>C4</b>	<b>Accessibility Plan 2021-2025</b>		
Approved	September 2021	Signed		
Website	Yes	Chair, Curriculum and Safeguarding Committee		
Review	Annual	Next review	September 2022	

We are committed to providing a fully accessible environment, which values and includes all pupils, staff, parents and visitors regardless of their educational, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

Aldryngton Primary School plans to increase the accessibility of provision for all pupils, staff and visitors to the school. The Accessibility Plan will contain relevant actions to:

- Improve access to the **physical environment** of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education.
- Increase access to the **curriculum** for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (If a school fails to do this they are in breach of the DDA). This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these pupils in accessing the curriculum.
- Improve the delivery of **written information** to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.

Attached are Action Plans, relating to these key aspects of accessibility. These plans will be reviewed and adjusted on an annual basis.

We acknowledge that there is a need for ongoing awareness raising and training for staff and governors in the matter of disability discrimination and the need to inform attitudes on this matter.

The Accessibility Plan should be read in conjunction with the following policies, strategies and documents:

Curriculum	Staff Development
Equal Opportunities	Health & Safety (including off-site safety)
SEND and Inclusion policy	Behaviour Management
School Development Plan	Asset Management Plan
School Brochure and Mission Statement	

The Action Plan for physical accessibility relates to the Access Audit of the School, which is undertaken regularly by the Local Authority. It may not be feasible to undertake some of the works during the life of this first Accessibility Plan and therefore some items will roll forward into subsequent plans. The audit will need to be revisited prior to the end of each first three-year plan period in order to inform the development of the new Plan for the following period.

The Plan will be monitored through the Curriculum and Safeguarding Committee.

Target	Strategy	Timeframe	Update - As dated in each section
<p>To continue to develop as wide a sport / extracurricular based provision as possible to encourage an even higher level of engagement throughout the school</p>	<p>Use of Sports grant to fund co-ordinator - Mr Michael Vinluan</p> <p>Mrs Julie Culham to also pursue additional opportunities</p> <p>Mrs Julia Franks to explore additional lettings opportunities</p> <p>Continue to target individuals at risk of non-engagement</p> <p>To ensure PPG pupils are given priority to extra-curricular clubs and funded when necessary</p>	<p>Ongoing with an annual review</p>	<p><b><u>July 2021</u></b> Sports / extracurricular provision has been severely restricted by the CV19 outbreak. Work is in hand to bring about the gradual re-introduction of activities. JC/KD continue to enter WBC SEND sports events - support from parents has been mixed. Action - audit of participation of targeted pupils Spring 2022.</p> <p><b><u>July 2021</u></b> PPG identified pupils given priority to extra-curricular clubs and funded when necessary. Range of extra-curricular clubs extended to include yoga, golf and sensory circuits - the latter, in particular, to target some children at risk of non-engagement and some with SEN.</p>
<p>To ensure school visits are accessible to all pupils.</p>	<p>Staff to check with SENCO as part of the trip checklist. Individual Risk assessments completed as required.</p>	<p>Ongoing</p>	<p>All risk assessments completed No trips since 2019</p>

To ensure PE activities are accessible by all.	Liase with outside agencies for any pupils who require adaptations	CT, JG & SENCO	
To ensure increase access to the curriculum for pupils with a disability.	<p>Offer a differentiated curriculum for all pupils.</p> <p>We use resources tailored to the needs of pupils who require support to access the curriculum.</p> <p>Curriculum progress is tracked for all pupils, included those with a disability.</p> <p>Targets are set effectively and are appropriate for pupils with additional needs.</p>	CF, AT & CT	Curriculum is being developed to meet the needs of all children. School self-evaluation activities demonstrate that these processes are in place.

**Aldryngton Primary School Accessibility Plan 2021 onwards****Improving communication inc delivery of written information:**

Target	Strategy	Timeframe	Update - As dated in each section
To improve remote access to information, booking and payment options through a new communication system	Parent Mail to be introduced Procurement processes completed Training undertaken by office staff Communication with parents - parent enrolment process Parent evenings to take place via Teams or face-to-face Use of system to complete payments and permissions for off-site visits reducing the admin demands on parents The Tucasi system allows parents to book meals directly; reduce the admin burden on teachers and office staff; gain additional pupil learning time currently used for admin.	September 2021	<p><b><u>Summer 2021</u></b> A large number of parents who have signed up to the system though. Contact made with those who have not. Letters continued to be sent home to pupils who do not have internet access.</p> <p><b><u>Summer 2021</u></b> Parent mail enabled school to achieve a higher rate communication with parents because of the reminder function within Parent Mail's payment system.</p> <p><b><u>September 2021</u></b> Parent mail to continue to include payment for trips/clubs, meetings with Teachers</p>
Ensuring access to learning during school closure periods	Identify a suitable system Staff training - MS Teams through LA support and internal means Launch and review Determine remote learning options following review to meet the government's requirements in the case of further school closures Share remote learning policy with parents - on school website Teachers to ensure that any pupils with additional needs are able to access the remote learning - e.g visual or auditory needs - SW to provide in-house technical support. AT to involve sensory consortium staff as required	September 2021	<p><b><u>July 2021</u></b> MS Teams was used in 2021 school closures/bubble closures. Remote Learning was enhanced to include online teaching and 'check-in' meetings with pupils.
