Weekly update: 23rd November 2021

Dear Parent/ Carer,

Thank you to all of the families that completed the questionnaire over the last two weeks. Yesterday, we discussed the results at the leadership team level to identify strengths and further areas of improvement. Once I have shared the results and discussed with governors, I will share the results with you before the end of term alongside some planned actions to address main areas.

Covid Update

Since 11am yesterday to 11 am today, we have been informed of a further three positive cases. Two of these are in Upper School. There has also been a case identified in Foundation Stage. At this moment in time, this is an isolated case. However, families should remain vigilant of symptoms and arrange a PCR test if they have been identified as a close contact by Track and Trace.

I will continue to keep you updated if there are any new cases.

Thank you once again for your continued support.

Yours sincerely

Mark Wieder
