Dear Parents,

Typically, in the spring term, we would start inviting you into the classroom after school to view your child's learning journey and literacy book. However, we are still in a position where we cannot allow parents inside the school building. Therefore, we will be holding these events outside in the Foundation Stage garden.

This is an opportunity for you to see your child's learning and the progress made since they started school in September and a chance for the children to share their achievements with you.

If you would like to stay and view your child's books, please wait in the garden on one of the dates below, where we will come out to you with the books for you to enjoy with your child. There will be an opportunity for you to write a short, positive message to your child which we can stick into their learning journeys too.

The sessions will be running from 3:25pm - 3:45pm on the below dates:

**Tuesday 25<sup>th</sup> January**  
**Thursday 3<sup>rd</sup> February**  
**Friday 11<sup>th</sup> February**  
**Tuesday 15<sup>th</sup> February**

Unfortunately, if we have bad weather on any of these dates, we will have to cancel and try again next time. Dates for the second half of the spring term will be available at a later date. If you would like any more information, please come and speak to us at the morning door.

Best wishes,  
Foundation Team
