Dear parents/carers

As part of our learning in D.T. this term we will be tasting ready-made soup before making our own. We have tried to ensure the soups are suitable for all children, and all dietary and religious requirements have been fully considered. The children will have no more than one teaspoon of each soup. However, if you have any concerns or questions please talk to your class teacher.

All the soups we are intending to try are vegan. However, we are aware there may be traces of gluten (wheat, barley etc.) within the soups. To ensure you are aware of the ingredients, these are the soups we are intending to try:

Heinz Plant Proteinz Mediterranean Tomato Soup

The school is also requesting a voluntary donation of £1.00 per child towards the cost of the ingredients for when the children come to make the soup. Please send in your donation to your class teacher in a named envelope, thank you.

Yours sincerely,

The Middle School Team
